

Subject: Re: CLARIFICATION NEEDED ASAP re: Plan for Larchmont Charter School
From: Amy Held <amy.held@larchmontcharter.org>
Date: 6/6/18, 3:54 PM
To: Dan Halden <daniel.halden@lacity.org>

Thanks for your support with this issue Dan - much appreciated. I'll defer to Ginnia (bc I don't know her exact plans - I had thought it was going south on Cherokee and pulling into the school's parking lot - basically reversing our current carpool but sounds like that may have changed).

Hi all,

Thank you for working together on this. Thank you again to Captain Smith for providing the Officer.

And/but - **Ginnia, Abdullah** - There appears to be discrepancies in each map. Ginnia's map directs folks to drive southbound on Schrader, and make a right onto westbound Selma. However, Abdullah's map says that Schrader AT Selma will be CLOSED. **Abdullah, please clarify this ASAP. If Schrader AT Selma will be closed from Jun 11-15, then Ginnia's map for LCS parents will need to be modified.**

Please advise ASAP.

Thank you,

Dan Halden

Yes, please wait to do construction at that driveway until later, because

that's where students enter and exit campus on foot.

Good Morning Ginnia,

Attached is the only driveway that will be impacted during construction, because it is part of the bump-out and it will be reconstructed. if it helps we can start construction at this driveway on the week of 18th, since school will be out.

Thank you.

Hello Dan,

Thank you for making those arrangements. There is an error in the map. You have the entrance for carpool at the driveway entrances that are only used for emergencies, not the primary gate entrance just west of there. So, it appears as if the entrance will be blocked off. What we'll have to do, as you can see in the attached map, is to have families completely reverse carpool. Take a look at the one dated 8-6-17 that we've used all year versus the temporary map to see what I mean.

Regarding your questions:

- **AM HOURS** - What are the best AM times for the Officer to be on site? 7:30-8:45
- **PM HOURS** - What are the best PM times for the Officer to be on site? 3:00-4:30
- **LOCATION** - What is the best location? I'm assuming Selma/Cassil, or close by, but please advise. *I'm not sure, because this is not my area of expertise, however, if it's just one person, redirecting people, I would think they'll need to stand between the corner of Cherokee and Selma Ave to direct parents to loop around via Schrader and Hollywood Boulevard to be able to enter on Cherokee.*

I hope that this inconvenience does mean that when we're back to school for orientation on August 21, the construction is done and will make for a safer entrance at our school gate.

Ginnia

Hi Ginnia,

I am CCing Captain RC Smith with LADOT Hollywood Parking Enforcement. I am pleased to share that we have made arrangements to have a Traffic Control Officer on site at Larchmont Charter School all next week (**Mon 6/11 - Fri 6/15**) to

assist with morning and afternoon pickup/drop-off.

We understand that the construction work will cause an inconvenience for parents; on behalf of Councilmember O'Farrell, we want to make sure that we are doing everything in our ability to make sure things run as smoothly as possible. We look forward to the new school year, when families will return to LCS and see a newly improved, safer Selma Ave.

Ginnia, please advise regarding the following:

- **AM HOURS** - What are the best AM times for the Officer to be on site?
- **PM HOURS** - What are the best PM times for the Officer to be on site?
- **LOCATION** - What is the best location? I'm assuming Selma/Cassil, or close by, but please advise.

For everyone's reference, I am including LADOT's Traffic Control Plan, as well as the Construction Notices. I am also CCing appropriate personnel from the City and Contractor to keep everyone in the loop.

Thank you,

Dan Halden
